# The Gin, Wine & Prosecco List 2021

Gin	Location	ABV	Description
Bathtub	Kent	43.3%	Made using the traditional method of Cold Compounding (or in layman's terms – infusing). High-quality copper pot-still spirit is infused with ingredients including juniper, orange peel, coriander, cassia, cloves and cardamom, with the length of the compounding period controlled entirely by periodic sampling. The result is an extraordinary gin, lightly tinted by the botanicals, and with a flavour which is both bold, and perfumed all at once.
Böe Apple & Lime	Stirling	41.5%	Lovingly created in small batches using award winning Boë Scottish Gin. The zesty citrus notes of limes perfectly balanced with the refreshing sweet flavours of crisp green apples creates a stylish gin with a light, delicate taste and a beautiful colour and aroma
Brooklyn	USA	40.0%	Craft spirit made in New York with fresh citrus peels and hand-cracked juniper. Hand-cutting the citrus fruit and releasing the essential oils in the juniper berries makes for a more vibrant gin. Fresh, complex, and flavourful. It's good enough to drink on its own.
Monkey 47 Dry	Germany	47.0%	An unusual gin from the Black Forest containing a unique ingredient. Cranberries! The 47 comes from the fact that it's bottled at a healthy 47%. Predictably complex, this is a robust and powerful gin with plenty of spice, fruit and herb flavours. It is well structured with a citrus fresh start segueing into pine and wood notes for a drying finish.
Pinkster	Cambridgeshire	37.5%	The original pink gin, made with real raspberries. The raspberries are grown locally and the gin is only produced during the raspberry cropping season. A deliciously dry gin with a hint of fruit and an exceptionally smooth finish. It makes a refreshingly different G&T.
Nordés Atlantic	Spain	40.0%	A rather intriguing Spanish gin made with an Albariño grape-based spirit rather than the more commonly seen grain-based spirit, along with 11 botanicals, including 6 local ones from Galicia such as eucalyptus, lemon verbena and samphire. This gives the gin a complex maritime quality and the result is a bold flavour profile.
Shining Cliff Bakewell Pud	Derbyshire	45.0%	Inspired by the nearby Peak District town of Bakewell, the home of the original Bakewell Pudding.
